71244113

No image available.

This product is a component and not intended to be a standalone installation.

Technical Information

All product dimensions are nominal.

Installation: Three-wall alcove

Notes

Install this product according to the installation instructions.

Product is designed to be used with a single-hole mixer valve with an escutcheon cover not to exceed 7-3/4" (197 mm) in width.

Bath cannot be installed without the wall surround.

Width of back wall at top transitions from 60" (1524 mm) at the front to 59-3/8" (1508 mm) in the back corners. Furring strips approximately 1/4" (6 mm) thick should be used at the back corner studs if drywall is to be installed over the nailing flange.

ADA compliant when installed to the specific requirements of these regulations.
