

Bluedaceous™ Concentrate

KEY FEATURES

- Condenser Coil Cleaner, Foaming, Non-Acid**
- Low Cost High-Performance Coil Cleaner**
- Sodium Based Cleaner**
- Easily Cleans Grease Contaminated Coils**
- Outdoor Use Only**

Part #	Product	QTY	Size
H-BD01	Condenser Cleaner	4	1 Gal Bottle
H-BD05	Condenser Cleaner	1	5 Gal Pail

Bluedaceous is a highly concentrated sodium-based cleaning system that removes a broad range of soils quickly and with minimum effort. Its ingredients act synergistically to penetrate, emulsify and sequester contaminants that rinses away with water. It is specially formulated for the cleaning and brightening of air conditioning condenser coils. It is non-acidic, non-flammable and contains no toxic petroleum or chlorinated solvents. The surfactants used in Bluedaceous are biodegradable.

Directions For Use:

Do Not Use On Indoor Coils. Use Only Outdoors.

Tip: Cleaning action is accelerated if condenser coil is still warm from use.

1. Read entire label & Safety Data Sheet before use.
2. Disconnect all power before working on equipment.
3. Protect surrounding area from over-spray.
4. Using a suitable low-pressure sprayer, dilute Bluedaceous with water according to dilution rates below.
5. Always spray downwind with a coarse spray to avoid misting. Spray between fins using horizontal motion, working from the bottom up.
6. Wait 3 to 4 minutes until foam begins to subside and rinse completely with large amounts of water.
7. Flush sprayer completely with water after use.

Mix 1 Part Cleaner With:

3 Parts Water	Heavy Duty
4-6 Parts Water	Medium Duty
20 Parts Water	Light Duty

DANGER: May be corrosive to metals. Causes severe skin burns and eye damage.

Keep in original container. Do not breathe mist/vapors/spray. Wash face, hands, and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

FIRST AID: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/Doctor.

Store locked up. Dispose of contents and container in accordance with all local, regional, and national regulations.

Contains [CAS]: Sodium hydroxide [1310-73-2].
