Create Item Number

854-ABCD

e.g. 854-24NQC: Cast iron cleanout - 4" No-Hub connection, round NB head/cover with flange and collar

CONNECTION TYPE A

2 = No-Hub outlet
6 = Push-Joint outlet

CONNECTION SIZE B

3 = 3"
4 = 4"
6 = 6"
8 = 8"

HEAD/COVER TYPE C

I = Ductile iron - round
IQ = Ductile iron - square¹
NR = Nickel-bronze - round¹
NQ = Nickel-bronze - square¹
SR = Stainless steel - round¹
IN = Ductile iron with NB veneer - round
INQ = Ductile iron with NB veneer - square¹
IS = Ductile iron with SS veneer - round

OPTIONS D

A = Epoxy-coated cast iron
B = Brass plug in place of ABS
F = Flange with clamping collar
C = Nickel-bronze carpet clamp²
M = Carpet marker

1: Not available for models with 6" or 8" connection | 2: Not available for models with stainless steel cover or veneer
